	building No 175 or Schlosshofer Strasse. The status of the radio installation at the southeastern perimeter of Gross Enzersdorf was unchanged.	4	
2.	Comment. One fighter regiment and its superior division headquarters are believed to be stationed at Aspern airfield. The aircraft numbers mentioned have previously been observed in Aspern.		
2.	Comment. The construction of a radar installation consisting of a Kniferest type and a Fishnet type set was reported previously by another source. It is believed that the installation belongs to the division headquarters.		
3	Comment. Part of the personnel stationed at Aspern sirfield are quartered in Aspern and Gross Enzersdorf.		Company of the Company
